WHY WE OPPOSE POCKETS FOR WOMEN. 1. Because pockets are not a nat-

2. Because the great majority of omen do not want pockets, they did, they would have them. 3. Because whenever women have and pockets they have not used

arry enough things as it without the additional burden

5. Because it would make dissen ion between hissband and wife as to whose pockets were to be fill-

6. Because it would destroy man's in his pockets. 7. Because men are men and wo

nen are women. We must not fly in the face of nature, 8. Because pockets have been us ed by men to carry tobacco, pipes, whiskey fiasks, chewing gum and cor promising letters. We see no reason o suppose that women would

em more wisely. -Alice Duer Miller, in the New York Tribune.
